

Dear Parents,

My name is Ben Moss, and I wanted to take a moment to personally introduce myself and provide a little background on our church. For the past three years, I have been working as the college pastor while working on my doctorate in higher education at TCU. I believe that when college students put their passion into knowing Jesus and making Him known, they can change the world. Antioch Fort Worth is a part of a larger movement of churches known as the Antioch Movement. The Antioch Movement is a relational network of evangelical churches founded with a “passion for Jesus and His purposes on the earth.” With a strategic focus on community, discipleship, and missions, our college ministry gives students the chance to make deep friendships, discover God’s purpose for their lives, and explore how He is moving in the nations.

Here are a few of our ministry highlights:

College Life Groups

College Lifegroups meet in houses around TCU’s campus every week so students can make friends and experience God together. These student-led small groups help students to grow in their faith and live out the mission of God. This is where real community happens, as we seek to be and make disciples.

College Services

Our service meets once a month at 7:30 p.m. in the Antioch auditorium on Wednesday nights to worship, hear teaching, and seek God.

Discipleship

We see in the Gospels that discipleship was one of Jesus’ main tools for building His church. He lived life with His disciples, inviting them into His ministry and giving them insight into His relationship with the Father. Discipleship groups are a place to ask questions, engage in accountability, and receive encouragement.

Leadership Development

We are passionate about raising up leaders in every sphere of society and helping students expand their influence. Each year we host a leadership develop program that challenges students to gain a biblical understanding of leadership and apply it to their lives.

World Mandate Conference

World Mandate is a conference in Waco, TX designed for anyone who wants to worship God and change the world. The event is known for its live worship and popular conference speakers such as Francis Chan, Louie Giglio, Christine Caine, and Max Lucado.

Missions

As we meet together and receive God’s love, we want to give it away to those who don’t know Jesus in our city, our nation, and the world.

Spring Break: Every year, we partner with other Antioch college ministries and travel to Tijuana, Mexico with hundreds of college students to share the love of Jesus and practically meet the needs of the community. We work with our sister church, All People’s Tijuana: www.allpeoplestj.com

Short-Term Trips: Short-Term Trips are two to three-week long mission trips that take place every summer. We partner with Antioch churches in the U.S. and overseas to bring the hope of Jesus to communities in need.

If you have any questions about our ministry or events, please do not hesitate to contact me personally.

Sincerely,

Ben Moss

College Pastor; 214-883-359; Ben@antiochfortworth.com
